Office of the Vice Chancellor for Research

Dear Dr. Cutiongco – de la Paz:

The Institute of Child Health and Human Development together with the Department of Health (DOH), in partnership with Philippine Neurological Association (PNA) and Child Neurology Society of the Philippines (CNSP), will be conducting the first National Surveillance for Guillain-Barre' Syndrome (GBS) in the country.

In line with this, may we respectfully request your good office to allow us that the kit of this initiative will be uploaded on our website under the ICHHD to make the kit accessible to all neurologists and physicians who will have these cases from their hospital and/or clinic. The contents of this kit are the following:

- a) National GBS Surveillance Protocol (abbreviated)
- b) Methodology Flow Chart
- c) TOR
- d) Philippine Acute Flaccid Paralysis Program
- e) GBS Stool Collection Instructions
- f) AFP Flow Chart
- g) GBS Case Record Form
- h) AFP CIF
- i) Informed Consent Form (Adult)
- j) Informed Consent Form (Parent/s)
- k) Assent form
