10 August 2016

TO : Deans/Directors/Department Chairs

FROM :  **EVA MARIA C. CUTIONGCO-DE LA PAZ, MD, FPPS**
Vice Chancellor for Research, UPM and
Executive Director, NIH

SUBJECT : New USAID STRIDE Advanced Research Scholarships

The Science, Technology, Research, and Innovation for Development (STRIDE) is the flagship science and technology program by the United States Agency for International Development (USAID)/Philippines that will spur inclusive economic growth by boosting science and technology research.

STRIDE is now accepting applications from Filipino MS and doctoral candidates as well as MS and PhD degree holders from Philippine universities to conduct research under the supervision of a U.S. university professor for at least six (6) months up to a maximum of 12 months.

Please pass this on to your family, friends, and colleagues who might be interested in the scholarships.

More information about the new scholarships and to submit applications, please visit the STRIDE website at <http://stride.org.ph/opportunities/scholarships>. The deadline for submission is on **October 15, 2016**.

Applications will only be accepted through STRIDE online application system.
